

1. Training Center: InterAssist First Aid Training

2. Instructor name: Andrew Badcoe
Instructor # 201449

3. Instructor profile:

Before settling in Tokyo, Andrew was a health social worker and counselor in Melbourne, Australia. He spent 11 years working within major hospitals, in roles that encompassed clinical service provision, mentoring, training and quality improvement. Prior to this he worked in community services and retail management for many years.

Andrew's qualifications include a Bachelor of Social Work (Hons), an Advanced Diploma of Relational Gestalt Psychotherapy and a TESOL Certificate. He is a member of the Australian Association of Social Workers (AASW) and is registered with the Psychotherapy and Counselling Federation of Australia (PACFA).

4. Course location: Hazawa, Nerima-ku, Tokyo 176-0003.

We are located near Kotake-Mukaihara subway station, which is the interchange for the Tokyo Metro Yūrakuchō Line, Tokyo Metro Fukutoshin Line and Seibu Yūrakuchō Line. Walking time from the station is 8-10 minutes.

Training can also be provided at your workplace or home by negotiation.

8. Participant criteria: Minimum of one participant per course; maximum of six.

Aged 8+

Some English-language ability is recommended, but complete fluency is not required. Student Books can be provided in Japanese for a small additional fee.

Participants of all backgrounds are welcome. We do not discriminate on the basis of nationality, ethnicity, sexuality, gender or physical, sensory or learning ability. We will do our best to accommodate you, so please let us know your particular needs.

9. Course features: InterAssist offers adult CPR, AED and basic first aid skills training in a supportive, low-stress environment. Enjoy developing practical skills, knowledge and confidence.

All courses are provided in English via explanatory videos, instructor demonstration, facilitated discussions, hands-on practice and skill evaluation.

Training is suitable for individuals and small groups. It is planned and delivered flexibly, and can be tailored for families, couples, younger or older people, health professionals, company employees, childcare providers and other groups.

10. Course schedule: Regular training days are Tuesdays, Fridays and alternate Saturdays. Training may occasionally be available on other weekdays or public holidays. BasicPlus is a full-day course (5½ - 7 hours), while CarePlus is a half-day course (3½ - 4 hours).

11. Cancellation policy: Due to the pandemic situation, there is no cancellation fee if you are unable to attend your course. We will endeavour to reschedule to an alternative date that suits you.
